

NN23

**20th International Conference on Nanosciences &
Nanotechnologies (NN23)
4-7 July 2023, Thessaloniki, Greece**

This is to certify that

Giulia Tomaino

has participated with an Invited Presentation entitled:

***“Recombinant vault nanoparticle: a potential tool for the targeted delivery of
siRNA as therapeutic molecules”*** in the
20th International Conference on Nanosciences & Nanotechnologies (NN23)
held in Thessaloniki, July 4-7, 2023

Friday, July 7, 2023

Chair of NN23

NANOTECHNOLOGY
Int. Conferences & Exhibition Nanotechnologies &
Organic Electronics & Nanomedicine

Professor S. Logothetidis
